

Casework

One of my responsibilities as your Representative is to assist you with any problems that you may be experiencing with the federal government. Below is list of links to various federal agencies where you can locate helpful information and receive answers to questions that you may have.

In addition to the resources provided below, please contact my NJ offices or e-mail if you continue to experience problems with a federal agency or have further questions and concerns.

- Veterans Affairs- link to FAQ about Veterans programs and benefits
- Selective Service System- information about how to register for the Service
- U.S. Citizenship and Immigration Services- answers to your immigration questions
- Passports and Visas- information on how to obtain a U.S. passport or visa
- Medicare- answers to your Medicare questions
- Social Security Administration- information on the Social Security program
- Financial Student Aid- details on how to obtain federal student financial aid
- Department of Labor- information about issues relating to your employment
- Internal Revenue Service- for inquiries about your taxes
- Federal Trade Commission- information on consumer protection and predatory lending
- Missing Property- locate missing property and money
